One of the hottest combo's in the country, and a consistent money-maker for music operators is Paul Williams and his group. Paul's latest recording, "The Hucklebuck," is currently setting a hot pace in the music business, and is responsible for the introduction of a new dance craze among "race" music fans. Other hits for the Williams group have been "Hasting's Street Bounce," "35-30," "The Twister" and "Waxie Maxie." Photo inset shows a bevy of Paul's fans doing "The Hucklebuck" at a recent one-nighter. Paul Williams is exclusively featured on Savoy Records. Direction: Moe Gale Inc. Personal Manager: Teddy Reig.

## Talking It Over

Henry Okun, well known in the music industry as well as to a very large number of the nation's juke box ops, has helped bring about a very pleasant situation in the city of Newark, N. J. for the automatic music business.

Henry reports that in meeting with members of the office of the Director of Public Safety in this very enterprising city he has arranged for ops to run "juke box dances" at each of the various police precinct houses under the sponsorship of the PFAL. This can be likened to New York City's PAL (Police Athletic League) and to similar police leagues in other cities thruout the country.

Tho this plan isn't at all new, for the juke box industry has been among the first and foremost in the drive to help stamp out juvenile delinquency, it once again opens the way for progressive operators to win for themselves better public appreciation and understanding.

The Cleveland Phonograph Operators Assn. has conducted such work for a long, long time, being among the very first groups to tie in with the police department to help keep youngsters off the streets.

The above illustration shows the happiness which occurred when a juke box was donated to the Madonna Settlement House in New York City thru the Catholic Charities where children of all ages are daily enjoying its music.

There are thousands upon thousands of such individual cases in cities all over the country which should, some day, be catalogued for the benefit of the entire juke box industry.

Philadelphia has been extremely liberal in this regard. Brand new juke boxes have been donated to almost every high school in that city.

The principal of Orange High School (Orange, N. J.) in a story which appeared in *The Cash Box* some months ago, reported how the juke box in their gymnasium was helping tremendously to cut down truancy.

All this is not being written to, in any fashion whatsoever, detract even one tiny iota from the very fine and wholeheartedly grand job done by Henry Okun for Newark, New Jersey's operators. It is only being used as an example of the fine work which this industry has already done, and is doing, every single day in the year.

Another city has come to realize the great, great value of the juke box in helping it to eliminate juvenile delinquency. It is the hope of the writer that more and still more juke box operators thruout the nation will continue to do such grand work and those who are doing such work will never stop.

To Henry Okun, in behalf of all the juke box industry, our sincerest thanks.

# Urge Ops to Greater Promotion Efforts to Help Boom Take

For a long time leaders in the field have been urging ops to use more and still more promotion methods to help boom take on all equipment.

It seems, after the pre-war years, that operators who always did use showmanship methods to attract patrons to their equipment, forgot all about such efforts during the war period. Play simply went ahead without any effort being expended to encourage continued action.

Now that play is down to a normal base, leaders in the field believe that ops should once again return to showmanship methods to encourage play.

So many play stimulation methods were used in past years that these would require page after page to reproduce here.

One of the finest, of course, has been the tie-ins with leading charitable organizations. Not only has this greatly enriched the charities, but, it has also helped ops to win better public understanding.

Contests of one type and another have also been of great help. This reached its acme during the "Sportland" era, when players received coupons for their skill, and were, in turn, rewarded with merchandise of all sorts.

Contests are now in vogue once again where shuffleboards are in operation, but are today on a league and tournament basis. This has helped operator after operator of shuffleboards to enjoy better play action.

The use of play stimulators by phono ops was also of great value. It seems, today, that many ops have neglected this very important factor, and find that they can only depend upon play if and when the player feels like inserting a coin in their automatic music equipment.

The phono op, by featuring the top tunes, by urging the patron thru good point-of-sale promotion to listen to his music, can always stimulate play.

This has been proved time and time again. Those ops who have been using promotional ideas have found their take up from 10% to as high as 30%.

Certainly no greater promotion can be used than what is now featured by many of the leading shuffleboard ops. These coinmen are not only posting high scores with names of players in locations, but have gone a step forward, by rewarding tournament play winners with engraved cups in the shuffleboard leagues which they have created.

Shuffleboard ops report that league play has boomed take tremendously, not only for themselves, but also for their locations. This is something which every operator should study. Here is the answer to what is necessary for continued top peak play at all times for all types of equipment.

One cigarette machine manufacturer has recognized the value of point-of-sale advertising. An animated, illuminated electric sign continually working on his machine [and which is an integral part of the machine] features the best brands, has had a very fine effect on stimulating sales of cigarettes thru his machines.

Pinball ops haven't joined in this move to stimulate better play on their machines. The old slogan, "Relax—Play Pinball", seems to have been forgotten in the rush of conditions.

The pinball op is in a unique position to "sell" the relaxation of his product to the public all over again. A new generation has grown up to enjoy the thrilling, suspenseful and relaxing play of his machines. He should, therefore, instantly adopt the tactics of every good showman to get his machines the attention which they deserve on everyone of his locations.

Arcade operators have always been great showmen in this direction. Their constant music and P.A. systems have helped to pull crowds into their places. They have always featured attractive point-of-sale advertising and have been able, because of these showmanship ideas, to many times greatly boost their collections.

Greater point of sale promotion will definitely help boom take. It is up to everyone of the operators in the industry to study locations, to get the cooperation of their location owners, to arrange for point-of-sale advertising, to tie in with charities and worthy causes in their communities, to get attention to their products which will help boom collections.

Surely every operator will admit that there is at least one worthy cause he would like to help as much as he possibly can. There's no reason, then, why he shouldn't tie in with this cause and use his equipment to enrich it, and enjoy better public understanding and the prestige he deserves at the same time.

Many well known leaders in the automatic music field, for example, have written time and time again of how they have been able to boost take by the use of point-of-sale advertising. By tying in with various charitable and worthy causes in their communities. By actually encouraging the public to enjoy the music of America.

The most shining and most outstanding example of good showmanship today are the shuffleboards. Ops here gave much study on how to increase patronage. How to win the player's favor. How to enjoy better public relations.

There isn't a large shuffleboard op in the nation who doesn't constantly encourage bigger and still bigger league play. He gives cups and other awards to the winners of tournaments. He interests his location owners to work with him so that both can enjoy better play.

In fact, some of the shuffleboard ops have now turned to neon signs to plaster locations with point-of-sale advertising units. It is this sort of intensive promotion which assures these men better profits for the present, and especially for the future.

The time has once again arrived, as a great season gets under way, for all in the field to turn to greater and better promotional efforts to help regain interest in coin operated entertainment to zoom collections and insure future play.

No operator should hesitate to tie in with a charitable and worthy cause. The locations will work with him as they have in the past. The lowered take which may result for the time of the drive will come back many fold in the weeks that will follow. And there will be better understanding won from officials and the public which is invaluable.

this bit, in well rounded tones of beautiful simplicity. Ditty is extremely infectious and makes you pay attention. Nat's phrasing, in soft, clear tones that ring true hold the promise for this side. The tune, currently causing loads of comment in the music biz, should garner some sensational coin play in the juke boxes. It's the type of tune that is easy to take to and is one which music ops should reap harvest with. The flip, "If You Stub Your Toe On The Moon," from the Paramount film "A Connecticut Yankee" promises to be another smash for Cole and his group. The gal's torchy phrasing is extremely captivating, while the echo effect used on this side, add to the polish of the tune. The flip, in beguine tempo, is a plush set-up which once again serves as a musical vehicle for Lorry in terrific manner. It's beautiful stuff from start to finish, and should excite many a music fan. Both sides ring true—the platter rates a spot in ops' machines.

"The Story Of My Life" (2:57)

"When Is Sometime" (3:08)

MARGARET WHITING  
(Capitol 15426)

Top deck, with the wordage all wrapped up in the title is a slow, melancholy affair that might catch ops' and music fans' fancy. Maggie's vocal refrain on the side echoes her usual brilliance, with the Frank DeVol ork lending the lass some able support. The flip, from the Paramount flicker "A Connecticut Yankee" is a top ballad, which should prove to be one of the hit tunes from this picture. Once again chirp Whiting turns in a grade A performance. Her many fans should go for the pair.

"Farewell Blues" (2:42)

"Teddy Bears' Picnic" (2:27)

FRANK DE VOL ORCH.  
(Capitol 15420)

● Some wax which ops with wired music locations can get with and use to excellent advantage are these sides offered by the Frank DeVol ork. Titled "Farewell Blues" and "Teddy Bears' Picnic," the DeVol crew show their musical wares in fine fashion to set the stage for some consistent coin play. Both sides have Eddy spooning the lyrical pleasure of these tunes in vocal tones that make for fairly pleasant listening. Top deck is a pop version of a folk tune currently catching a pot of gold in many an op's machine. Sprightly tempo combined with Eddy and the Trio's wailing is effective enough. The flip is an enchanting bit of sentimental music served in tasteful manner by Eddy and the boys. Both sides should hold their own.

"Is It Too Late" (2:50)

RONNIE DEAUVILLE  
(Mercury 5267)

● The soothing vocal refrain of balladeer Ronnie Deauville is displayed with loads of charm on this pair of tunes titled "I'll String Along With You" and "Is It Too Late." The top deck is the oldie currently being revived and also being received with much fervor. Ronnie's vocal work on this side, in slow, tempting tones of musical pleasure, should add immensely to the popularity of the tune. The flip is a sentimental ballad with the piper turning in another able performance. Both sides should hold their own in the boxes.

"I Didn't Know The Gun Was Loaded" (2:30)

"Anything Can Happen When You're Lonesome" (2:43)

JANETTE DAVIS  
(Columbia 38448)

● Some wax that music ops may care to use as filler items are these offered in fairly pleasing fashion by chirp Janette Davis. Top deck, "I Didn't Know The Gun Was Loaded" is a cute novelty bit, offered in pseudo-hillbilly manner. Up-tempo beat by the Archie Bleyer ork is there for the asking. The flip slows down to a moody bit with Janette turning in an adequate spot of vocal work. Gal lacks feeling in her vocal pitch, also the song itself makes up for this. Ops who have the spot might take a look-see.

"Senora" (2:23)

"Busy Doing Nothing" (2:38)

JACK SMITH  
(Capitol 15429)

● Piper Jack Smith and his unusual vocal style are on deck for the refrain of this pair labeled "Senora" and "Busy Doing Nothing." Topside has Jack wailing in south-of-the-border tongue to the refrain of this light bit of musical pleasantry. It's cute, light stuff, dressed up with some mellow romance lyrics that add to the winning potential of the disk. The flip, with the Clark Sisters joining in, is from the Paramount flicker "Connecticut Yankee," and should be received warmly. Both sides are strictly for the Jack Smith fans.

"I Got It Bad" (3:09)

"That's Right" (2:59)

WOODY HERMAN ORCH.  
(Capitol 15427)

● Orkster Woody Herman on tap with a pair that might meet with music ops' fancy. Top deck, labeled "I Got It Bad" is an oldie dressed up by chirp Mary Ann McCall's vocal style. The gal's depth and the feeling she injects into this song make it a potential winner. It's slow, off-beat vocalizing, with the Herman herd backing the lass in fine style throughout. The flip is an up-tempo polite bit of bop, with the gang taking turns at several solos. Top deck holds the limelight.

## Record Reviews

"A Fine Romance" (2:39)

"1400 Dream Street" (2:50)

LES BROWN ORCH.  
(Columbia 38444)

● The Les Brown ork back with more instrumental work in this offering of "A Fine Romance." Ditty is a standard, and should be fairly familiar to most music ops. Les' fine ork displays their musical wares in great style on the side, offered in medium up-tempo fashion. A smattering of bop seeps thru in several choruses to add polish to a superb bit of instrumental wax. The flip, "1400 Dream Street" has Ray Kellogg and Betty Taylor splitting vocal honors on a cute ballad done up in light, bright tempo. "A Fine Romance" appears to be the better of the pair.

"Where Or When" (2:50)

"Shine" (2:59)

BEN LIGHT  
(Tempo 676)

● The sparkling piano fashions of Ben Light at the Steinway are displayed in excellent fashion on this pair of standards titled "Where Or When" and "Shine." Ben's light and striking piano touch makes you stop and pay attention. Both tunes are undoubtedly well known to music ops since they have been consistent money-makers thru the years. This rendition by Ben Light should definitely prove to be among the top recordings on the market. Wax seems especially suited to wired music locations—ops who have these spots should grab this platter.

"Hurry! Hurry! Hurry!" (2:51)

"Ballin' The Jack" (2:39)

THE THREE SUNS  
(RCA Victor 20-3399)

● The Three Suns on deck with a pair of tunes that have the sparkle of coin play about them, with the top deck, "Hurry! Hurry! Hurry!" leading the way. Ditty, with the vocal refrain by the Fontane Sisters, is a bright tempo'd piece that is easy on the ears. The song is currently causing loads of attention in the music biz, and bears music ops' avid attention. The flip is the Three Suns instrumental rendition of a tune that has kicked around a bit. Both sides should meet with fair approval—ops take note.

"While We're Young" (2:50)

"In The Spring Of The Year" (2:47)

HELEN CARROLL  
(Mercury 5278)

● Good tune that receives a fairish rendition is this song titled "While We're Young," offered here by chirp Helen Carroll. The tune itself should prove to be a heavy winner for music ops. Ditty flows along in melancholy pace, with Helen and a vocal chorus warbling the comely lyrics in adequate manner. The flip is a light ditty with the lyrics playing around the title. Ops who have the spots might pay this platter some attention.

### SLEEPER OF THE WEEK

"Once And For Always" (2:46)

"Why Can't You Behave" (2:54)

JO STAFFORD  
(Capitol 15424)

JO STAFFORD

● Thrush Jo Stafford grabs this featured spot this week with one of the better tunes from the smash Paramount flicker "A Connecticut Yankee." Wax, titled "Once And For Always" is a top notch ballad, performed in the most superb vocal style that Jo has to offer. Tune is

highly infectious, with its hearts-and-flowers lyrics ringing true throughout the needling. Tempo is slow and rolling and makes for easy listening pleasure. The song, a current plug tune, is sure to come in for some heavy ballyhoo from the flicker attachment, and as such, should prove to be a big winner. It's Jo's gilded tonsils all the way on this one—a hit tune if there ever was one. On the flip with "Why Can't You Behave," from the hit musical production "Kiss Me Kate," Jo comes back with a bit of light musical pleasantly to keep the wax hot. Steady beat in the background, coupled with Jo's soothing vocal pitch, should make music fans warm up to this side. Top deck, "Once And For Always" is the big winner—ops should climb on the bandwagon!

"Again" (3:06)

"Blue Moon" (3:06)

MEL TORME  
(Capitol 15428)

● Some terrific vocalizing by Piper Mel Torme stacks up for top honors in music ops' juke boxes. Mel's excellent, subdued vocal tones glitter brightly on "Again," a top notch ballad sure to become a hot coin culler. The "Fog" sings this side straight, with some grade A musical backing by Pete Rugulo rounding out the side. The flip has Mel going into his hush-hush style for the refrain of "Blue Moon," from the MGM flicker "Words And Music." Both sides beckon a ton of coin play, and ably prove Mel's versatile vocal style to extremely excellent advantage.

"That Wonderful Girl Of Mine" (2:53)

"I Only Have Eyes For You" (2:44)

AL JOLSON  
(Decca 24601)

● Some fresh wax by the daddy of 'em all, Al Jolson, and a nostalgic side if there ever was one. Al's warbling of the top deck, "That Wonderful Girl Of Mine" sets up as some of the best vocal tones that he has ever displayed. Ditty is an adaptation of a famed Jewish theme, and should garner wide attention. The song is loaded with top notch echoes of Al's sure-fire winning vocal style. It's a ditty that seems sure of catching on. The flip is the standard "I Only Have Eyes For You," with Al once again turning in an excellent performance. Both sides are hot winners—ops should grab 'em.

"The Mountaineer And The Jabberwock" (2:47)

"Elmer And The Bear" (2:44)

PHIL HARRIS ORCH.  
(RCA Victor 20-3393)

● Orkster Phil Harris sets up with a pair of hot novelty tunes in this coupling titled "The Mountaineer And The Jabberwock" and "Elmer And The Bear." Both sides of this platter feature the maestro handling the vocal work, with his familiar, rapid action vocal style leading the way. Top deck is a cute adaptation from "Alice In Wonderland" that features some extremely cute lyrics. Story in this piece should attract wide attention. The flip has Phil turning in another superb rendition of his famed novelty styling. Both sides for the Phil Harris fans.

"Busy Doing Nothing" (2:41)

"Is It Too Late" (2:54)

VAUGHN MONROE ORCH.  
(RCA Victor 20-3382)

● The tasteful tones of Vaughn Monroe ork are displayed in able fashion on this duo titled, "Busy Doing Nothing" and "Is It Too Late." Top deck is from the Paramount flicker "Connecticut Yankee" and should win wide praise from the expected large audience. It's a light, dainty offering that bounces around in sprightly tempo, with Vaughn and the Moon Maids serving up some fair vocal work. The flip has the maestro and the vocal group back again warbling a very sentimental ballad.

Both sides should hold their own in the boxes.

"The Little Old Church Near Leicester Square" (2:57)

"1400 Dream Street" (2:50)

FREDDY MARTIN ORCH.  
(RCA Victor 20-3384)

● The sweet refrain of the Freddy Martin is shown to excellent advantage on this pair tagged, "The Little Old Church Near Leicester Square" and "1400 Dream Street." Top deck has been widely recorded and seems to hold a whale of promise of catching on. This rendition, with the vocal refrain by Merv Griffin and the Martin Men, is effective enough and should garner its fair share of coin. The flip, a new ballad, is a light bit of tasty music with Merv in the vocal spotlight once again. Wax doesn't appear to have too much popular appeal, but should satisfy the many Martin fans.

"Put Your Shoes On Lucy" (2:44)

"Save That Confederate Money, Boys" (2:53)

DOTTIE DILLARD—OWEN BRADLEY ORCH.  
(Select 254)

● Pair of sides that have a smattering of a potential coin culler are these offered by chirp Dottie Dillard and the Owen Bradley ork. Wax, titled, "Put Your Shoes On Lucy" and "Save That Confederate Money, Boys" features Dottie in the vocal department on the pair, with the Bradley crew backing the lass in fine style throughout. Top deck is a current novelty plug tune performed in able manner. Cute up-tempo patter added to Dottie's wee, soft voice makes this side glitter all the more. The flip is a novelty tune with the lyrics playing around the title, that has the makings of a hit. Performance on this side is effective, with the limelight streaking down on Dottie. Music ops should listen in—and more.

"A Chapter In My Life Called Mary" (2:52)

"Whispering Waters" (2:53)

BUDDY CLARK  
(Columbia 38443)

● Buddy Clark's smooth, sure-fire winning vocal tones fill the air with pure beauty on this new bit tagged "A Chapter In My Life Called Mary." Ditty is definitely not one of the run-of-the-mill girl tunes. The sweet, comely lyrics and extremely infectious vocal style Buddy delivers, make this song a potential winner. Tempo is slow throughout with the musical refrain making for superb listening pleasure. The flip is a very plush, meaningful song, ably performed by Buddy. Whistle chorus adds to the glamour of the tune immensely, altho Buddy holds a well deserved spotlight. The Ted Dale ork turn in a very admirable performance on both sides of this platter, backing Buddy in fine style throughout. Ops should listen in.

 (Decca 24574)

● The Hamp, himself, and greater than ever, with two tunes that are tops in race spots all over the country. Opening with that grand favorite, "Chicken Shack Boogie," offering Sonny Freeman and Lorraine Carter on the vocal side, The Hamp simply tears the tune into teeny weeny bits and turns it into moneymaking wax. On the flip, with another favorite, "Benson's Boogie," The Hamp himself takes over the vocal to produce a zingin', melodious, heated hunk of wax. For the zillion followers of this grand, great artist, Lionel Hampton, here's a disk with everything.

## BULLSEYE of the WEEK

*"I Ain't Got Nothin' To Lose"* (2:41)*"I Didn't Know The Gun Was Loaded"* (2:33)ANDY PARKER AND THE PLAINSMEN  
(Capitol 15421)ANDY PARKER & THE  
PLAINSMEN

● Andy Parker and his Plainsmen notch this featured spot this week with a pair of hot items for the juke box trade in this coupling titled *"I Ain't Got Nothin' To Lose"*

and *"I Didn't Know The Gun Was Loaded."* Both sides are loaded like a spade flush, and seem certain of winning wide approval. The top deck, with Andy, the boys and Frank DeVol busters on tap is a rollicking bit of music that makes for class A musical pleasure. Terrific lyrics of the song make you wanna listen all the more. Take note of the excellent instrumental work on the side too, and you really have a platter that can go. The flip, with chirp Betsy Gay in the limelight is an up and coming novelty tune that should equally find favor with music ops. The gal's hillbilly vocal rings true on the side, while Andy and the entourage back the lass in superb manner. The platter is sizzling hot—ops should latch on!

*"I'm Bitin' My Fingernails"* (2:20)*"Need You"* (2:27)WESLEY AND MARILYN TUTTLE  
(Capitol 15423)

● Here's a duet that's got just about everything anyone can ask for. Wesley and Marilyn Tuttle do one grand, harmonious chirping version of *"I'm Bitin' My Fingernails (And Thinkin' Of You)"* in lively, lilting style. With the orchestra behind them to give them marvelous backgrounding, both Wesley and Marilyn go right to town on this tune and turn it into a great big possibility for every juke box 'round the countryside. On the flip, *"Need You,"* the pair turn to a slow, sentimental mood and with grand lyrics to bolster the melody give out with some of the very best harmony heard in many a moon. This is one hunk of wax that sounds good. Just listen in to Wesley and Marilyn Tuttle—they've got lots and lots of what it takes to bring in nickels, dimes and quarters to juke boxes.

*"She Lost Her Cowboy Pal"* (2:29)*"Don't Cry Over Me"* (2:38)MONTANA SLIM  
(RCA Victor 21-0031)

● Pair of pleasant sides by Montana Slim and the set-up of *"She Lost Her Cowboy Pal"* and *"Don't Cry Over Me"* in the offing for music ops. Top side is a medium up-tempo thing, with Montana wailing and yodeling in fair fashion. Lyrics play around the title and make for good listening time. The flip, a slow lament, shows Montana's true western vocal flavor in high light, with the sentimental lyrics rounding out the side in great style. Both sides should meet with wide approval.

*"Drowsy Waters"* (2:43)*"Steelin' The Blues"* (2:55)JERRY BYRD  
(Mercury 6175)

● Pair of sides that might be used as filler items are these done up by Jerry Byrd. Tagged, *"Drowsy Waters"* and *"Steelin' The Blues,"* Jerry displays his hot steel guitar work on both sides to offer ops some fair wax. Tempo on the top deck is a slow, instrumental waltz, while the flip, with a vocal spot by Rex Allen holds the same vein with adequate lyrics to match. Wax is nothing to shout about—ops who have the spots might listen in.

*"Lord Nottingham's War Dance"*  
(2:43)*"Texas Playboy Rag"* (2:37)SPADE COOLEY  
(RCA Victor 21-0027)

● The popular Spade Cooley on deck with a pair that appear to be headed for a top spot on music ops machines. Top deck, labeled *"Lord Nottingham's War Dance"* is a zany novelty ditty that is wild enough to catch on and go like wildfire. Monotone vocal in fast, clipped phrases that make for plenty of laughs makes this piece the winner it is. The flip, *"Texas Playboy Rag"* is a sprightly instrumental piece with some mellow fiddle and guitar work flashing throughout. Top-side is one to watch tho.

*"It's Noisy Out In Boise, Idaho"*  
(2:44)*"In The Hills Of Old Wyoming"*  
(2:47)THE KINGS JESTERS  
(Sullivan 504)

● Pair of tunes that have loads of bright sparkle about them are these by the Kings Jesters. Both sides of this platter are full of coin-winning potential and are sure to meet with immediate approval from ops and music fans alike. The offering, while not strictly in the folk manner, should appeal to this segment of juke box fans immensely. Top deck, a mellow novelty piece makes for excellent listening pleasure. Cute lyrics performed in superb manner shine throughout the dinking. The flip slows down to some very infectious music, with the Jesters displaying a ton of top-notch vocal harmony throughout. Both sides shape up as money-makers—ops should get 'em.

*"Echoes From The Burning Bush"*  
(2:43)*"Sinner, You'll Miss Heaven"* (2:45)CHUCK WAGON GANG  
(Columbia 20564)

● Some wax in the religious vein by the Chuck Wagon Gang shows as a bit ops may care to use. Both sides feature the group offering their vocal best on *"Echoes From The Burning Bush"* and *"Sinner, You'll Miss Heaven."* The increasing demand for music of this sort warrants ops attention in this direction.

## Milton Rackmil Named To Decca Presidency

NEW YORK—Directors of Decca Records, Inc., this past week elected Milton R. Rackmil president of the firm.

Mr. Rackmil fills the vacancy left by the death last Friday of the first president and founder of the recording company, Jack Kapp.

Rackmil, also one of the founders of the firm, served as treasurer and executive vice-president of the plattery.

Spokesmen for the plattery stated that all other officers remain. Dave Kapp, vice president in charge of recording and artists; Leonard Schneider, vice-president and general manager; Samuel Yamin, secretary and Louis Buchner, treasurer. Dave Kapp assumes full charge of the company's recording activities.

The firm also announced the signing of Bing Crosby to a new recording contract for seven years.

## Jubilee Records Offer Reward For Location Of Master Keys Quartet

NEW YORK—Jubilee Records, Inc., this city, this past week disclosed the offer of a \$500.00 reward for the location of the Master Keys Quartet.

The Keys, who bowed in 1945 have bowed out since then. Several platters they made then have caught on with music fans. Masters were taken over by Jubilee, with the latter firm intent on finding the group. Their recording of "I Got The Blues In The Mornin'" and "You're Not The Only Apple On The Apple Tree" is currently winning wide favor. Names of the boys are: J. B. Nelson, Melvin Colden, Norman Harris and J. M. Moore.

## Exclusive Takes On Indie Distribution

NEW YORK—Exclusive Records, Inc., this city, this past week took on the distribution of Damon Records, Kansas City indie label who hit the top last year with their winner "My Happiness."

The move on the part of Exclusive, which heretofore distributed only its own label, was hailed in these quarters as an indicative trend in the disk business. Damon has a catalog of 15 releases, it was learned. J. Parker Prescott continues at the helm of the new firm, Exclusive Record Distributors.

## In Memoriam Jack Kapp

JACK KAPP

NEW YORK—A sullen and stunned music and show-business industry remained shocked this past week over the sudden and untimely death of Jack Kapp, president of Decca Records, Inc.

Figures from every walk of life, from every phase of the music and recording industry paid their homage and last respects to Jack on Monday morning, March 28, at the Park Avenue Synagogue, New York.

Kapp, who passed away at the early age of 47 of a cerebral hemorrhage, was truly a beloved figure in the recording industry. Kapp's career, a latter-day Horatio Alger story, was brightly marked by his abounding and untiring work that he loved so much.

Kapp's vast knowledge and understanding of music, and more-so of what the American public wanted to hear, is reflected in the firm he organized. He pioneered and discovered new fields of music that typified the land he loved. Music to Jack was an

international language to be used toward and for the benefit of his fellow-man. Kapp carried the standards of the American ideal to the length and breadth of the United States, and across the seas to Europe.

The Kapp success story started in Chicago, where Jack accompanied his father selling records for Columbia. In his middle 20's, Kapp, working for Brunswick Records, signed the Guy Lombardo orchestra to a recording contract. Al Jolson's famed "Sonny Boy" recording for Brunswick sold more than 2,000,000 disks in 1928. Kapp was largely responsible for this. Even at this early age, Kapp displayed an immense talent for selecting tunes and artists. In 1933 Kapp had already made his plans for a low-priced record for the American market. He formed Decca a year later, and after a slow start, the firm started to operate in a highly successful manner.

Kapp's association with show business personalities is a who's-who of the industry.

At the time of his death, Kapp was a figure known not only in the recording industry, but throughout all forms of business. In recent months Jack propagated the American ideal by taking his wealth of knowledge and resources to colleges, universities, Rotary Clubs and executive meetings. Kapp was recently the subject of an editorial in Life Magazine, and has been written of in the Saturday Evening Post, Colliers and many other national publications.

He is survived by his wife, Frieda; a son, Jonathan, 10; a daughter, Myra, 17; and two brothers Dave and Paul.

The Jack Kapp saga is physically at end—The Jack Kapp tradition will live on.

# DISK STARS TO SHINE AT CLEVELAND PHONO OPS MEET

CLEVELAND, O. — The Phonograph Merchants Association, this city, celebrating its tenth annual convention and banquet, this past week disclosed that a wealth of talent is scheduled to appear at their affair on Tuesday, April 19th at the Hollenden Hotel.

Advance reservations by member operators and out-of-town guests indicate a tremendous attendance will hold forth at the festivities. Jack Cohen, president of the organization, and chairman of the convention committee stated that the affair will undoubtedly be the largest the group has ever held.

Scheduled to appear at the banquet, highlight of the annual affair are the orchestras of Skitch Henderson, Capitol Records star, and Russ Carlyle, Decca recording artist. In addition, talent in the area of Cleveland will undoubtedly put in an appearance on the floor.

Record executives were reported to have informed their artists in the Cleveland territory to be on hand for the operators convention. Disk distributors of all records in Cleveland will be on hand at the affair to extend their greetings to the music ops.

The Cleveland Phonograph Merchants Association, who run monthly Hit Tune Parties, have been cited time and again for their wonderful work and their efforts in combatting juvenile delinquency by the recording industry at large and city civic officials.

## RCA Victor Introduces 45 RPM System

NEW YORK — RCA Victor's new 45 RPM records and record players were being shown to the public this past week, for the first time in local record stores, coincident with nationwide introduction of the new record playing system in the country.

The new distortion-free records recently previewed here in private showings for distributors and dealers, make their bow with substantial catalog representation in Red Seal albums and single records, as well as in popular albums and singles, Country and Western, Blues, Rhythm, International and Children's discs. Basic catalog for the new 45 RPM series of small, non-breakable vinyl plastic records in translucent colors to identify musical categories, is approximately 200 titles. All are currently available in RCA Victor's catalog of 78 RPM records. Prices for the new records have been announced as 65 cents for popular records.

Starting with a selection of currently popular hits to be released in mid-April, RCA Victor will follow this early in May with simultaneous release of all new popular records on 78 and 45 RPM. In mid-May the company plans to ship to dealers its first simultaneous new releases of 78 and 45 RPM Red Seal singles and albums. Thereafter all of the company's new releases will be available at both speeds.

## Supreme - Black & White Records Arrive At Settlement

NEW YORK—Impending litigation involving Supreme and Black & White Records has been settled out of court to the satisfaction of both parties involved, it was learned this past week.

The original law-suit made by Supreme requested an accounting of the latter firm's sales and royalties due them during the period that the Black & White firm had been distributing the Supreme line.

Supreme, currently handling their own product thru independent record distributors was reported to have received a cash settlement from Black & White. It should be pointed out that the Supreme firm, headed by president Al Patrick, is no longer, in any way connected with the Black & White firm.

Sales topper Guy Ward disclosed that the firm now has 46 distributors throughout the nation and is currently formulating plans for a wide-scale promotion program to go into effect immediately. Current Supreme winners are Paula Watson's "You Broke Your Promise" and Jimmie Witherspoons "Ain't Nobody's Business."

## WSM Reaffirms "Grand Ole' Opry" Title Claim

NASHVILLE, TENN.—Radio Station WSM reaffirmed their right to the exclusive property of the title "Grand Ole Opry" here this past week in a recent incident involving Larry Sunbrock and advertising concerning an alleged public appearance of the widely hailed radio show.

Advertising had been placed in Columbus, Ga. papers saying that the "Grand Ole Opry" was to be presented with stars from that program normally heard over WSM.

It was reported that spokesmen for the radio station stated that Sunbrock did not have authorization to bring the WSM stars to Columbus nor would "Grand Ole Opry" appear in the latter city. Occasionally, certain members of the troupe make personal appearances, but seldom the entire cast.

It should be noted that in the past, two Federal Courts and one State Court have ruled that the title "Grand Ole Opry" is the exclusive property of WSM and may be used only in application to bonafide WSM Grand Ole Opry acts.

FRANK B. WALKER  
General Manager, M-G-M Records

the standard 78 RPM recordings. Spokesmen for Decca Records stated that their firm was not contemplating any major change in price of their recordings. Mr. Dudley Hale Toller-Bond of London Records effected the same sentiments of the Decca plattery, while RCA Victor had a terse "no comment." Capitol and Mercury executives were not available for comment.

Rumors ran the gauntlet in the disk trade this past week concerning the purpose behind Columbia's original purpose in dropping their price. Many in the industry stated Columbia's intent might have been to combat the 45 RPM plans of RCA Victor, who this past week introduced their new record and record changer to the general public.

## London Records In Company Reorganization

NEW YORK—London Records, Inc., this past week underwent a change in personnel, in what Dudley Hale Toller-Bond, London executive stated was a "internal change due to reorganization of company affairs."

Joe Martin, advertising and sale promotion manager for the firm; and Jim Bray, vice-president and national sales manager were affected.

Toller-Bond stated that no replacements for Martin and Bra are planned at the present time, and that the reorganization within the diskery, would in no way affect the firm's basic sales and recording policies.

The firm will continue to expand its distributing organizational set-up it was learned. The reception given London's product since it has been on the market has been one that has met with the complete satisfaction of London execs.

## Hint Frank White May Exit Columbia Post

NEW YORK—Frank K. White, president of Columbia Records, Inc., may become the next president of the Mutual Broadcasting System, succeeding Edgar Kobak as president.

White is expected to receive a formal offer at the conclusion of a Mutual Board meeting in Chicago this week.

White's long experience as a vice-president and treasurer of Columbia Broadcasting System and his present post president of Columbia Records is regarded as ample qualifications for the Mutual post.

White was non-committal on the Mutual deal, altho he admitted having heard that his name had been mentioned for the spot. White assumed the presidency of Columbia Records in January of 1948, when he succeeded Edward B. Wallerstein who now serves as chairman of the board of Columbia Records, Inc.

## Kilty Presents New Disc To Film Exec

NEW YORK—Jack Kilty, (right) MGM Records' popular young singing star, presents an autographed first copy of his new hit-bidder, "Tulsa" to Max Youngstein, vice-president in charge of advertising and publicity for Eagle-Lion Pictures. The song is the title number of Eagle-Lion's oil field epic of the same name.

NEW YORK—MGM Records officially announced this past week, that retail prices on its popular records would be reduced to 60c effective April 1st.

The move by MGM follows a similar reduction in prices made by Columbia Records a week ago.

Frank B. Walker, General Manager of the firm, in a statement regarding the drop in prices, said, "MGM Records will not sacrifice either technical or artistic quality with the change in price. We can go on turning out the hits and best sellers that have zoomed our label to the top in such a short time without taking the public's purse."

Spokesmen for the plattery disclosed that MGM does not have any plans at present for entering into either the 45 RPM or 33-1/3 RPM record field.

Thus MGM becomes the second major plattery to reduce the price of

# APRIL IS "JUKE BOX" MONTH

**Three Big Operator Meet Scheduled—Cleveland At Hollenden Hotel, April 19; Michigan At Latin Quarter, Detroit, April 23; And Five State Convention At Radisson Hotel, Minneapolis, April 25 & 26**

NEW YORK—With three of the nation's largest music operator groups holding conventions and banquets this month, coinmen are calling April "Juke Box Month."

The most elaborate and all-inclusive meeting will be that of the "Five State Phonograph Operators Convention" to be held at the Radisson Hotel, Minneapolis, Minn. on Monday and Tuesday, April 25 and 26. Both days are taken up with business meetings and exhibit of equipment, with the evening of the second day given over to a sumptuous banquet and star-studded stage show.

Associations from North Dakota, South Dakota, Wisconsin, Minnesota, and Iowa, sponsors of the meet, will attend in force, and coinmen from all over the country are expected to be on hand.

Doug Opitz, head of the Wisconsin Phonograph Operators Association, writes *The Cash Box* that a poll taken at their meetings, indicated practically 100% of their members will be in Minneapolis, plus the city's distributors, jobbers, friends and wives. "We especially urge the operators who haven't attended any of our recent meetings to be sure to attend the convention" suggests Opitz. "Wisconsin will be well represented, as our association was one of the originators of the Four and now Five State idea."

South Dakota Phonograph Association, which boasts practically 100% membership in its state, will all be on hand, writes Norman Gefke, secretary.

Ken Ferguson, publicity director of the meet, states that exhibit space has been completely sold out, and once again suggests that all those expecting to be at the convention should reserve hotel accommodations and banquet tickets immediately as "they will be most difficult to obtain later."

The 10th Annual meet of the Cleveland Phonograph Merchants Association will take place at the Hollenden Hotel on Tuesday, April 19. This convention starts off early in the morning and winds up with banquet and show in the evening. Business is the first order of the day, followed by a luncheon, cocktail party and then the big dinner.

Many important matters will be discussed at the business session, including Ohio's impending tax bill which calls for an annual tax of \$75 per phonograph, effect of television on juke boxes, new equipment, and other subjects, stated Jack Cohen, president of the association and chairman of the convention committee, who visited the offices of *The Cash Box* during his visit to New York City this week.

Attendance will be big, with many out-of-town coinmen on hand as usual, stated Cohen. "We are always proud of our stage shows" commented Cohen, "and this year it'll be better than ever."

Morris Goldman, newly re-elected president of the Michigan Automatic Phonograph Owners Association, predicts the greatest banquet of all time. The party will take place at the Latin Quarter in Detroit on Saturday, April 23.

In addition to complete attendance by Michigan operators, coinmen from all over the country like to attend the Michigan affair.

Goldman inaugurated a new idea, which will culminate with the selection of "Miss Juke Box of 1949." She will be honored at the banquet. Disk jockeys and locations are cooperating in publicizing the contest, and cooperating by distributing application blanks. All entrants must pay \$1, which together with other net receipts will be contributed to the American Cancer Society.

The banquet will feature a load of talent, headed by Shep Fields' orchestra.

## Wurlitzer L.A. Distrib Moves To New Larger Quarters

LOS ANGELES, CAL.—Al Mendez and Norman Rothschild, owners of Southland Distributing Company, this city, announced that the firm is moving to new, larger quarters, and will be ready to greet their customers and friends on April 4 at the new address, 1128 South Crenshaw Blvd.

Southland Distributing was recently appointed distributors for The Rudolph Wurlitzer Company line of phonographs and accessories. Complete sales service facilities, including a large supply of parts for all makes of music equipment will be maintained at the new Wurlitzer headquarters.

Mendez and Rothschild are both widely acquainted thruout the coin machine industry, especially in the south and southwest. Stanley W. Turner, long associated with Wurlitzer and the phono business, is a key member of the Southland organization.

## Trans-Vue Teles Have New Polaroid Filter

R. R. (RUDY) GREENBAUM

CHICAGO—R. R. (Rudy) Greenbaum, of Trans-Vue Corporation, this city, relates that the acquisition of exclusive use for commercial television systems of a new and different filter, a recent development by the Polaroid Corporation, has solved the problem created by reflected light off the television screen when the set is in use.

Officials of Polaroid Corporation say "Trans-Vue, takes television out of the dark for the first time and gives the public a sharper picture with greater definition and more contrast than ever before."

## Bally Redecorating General Offices

### Plan Picture Gallery Of Distribs And Leading Coin Figures In Corridors

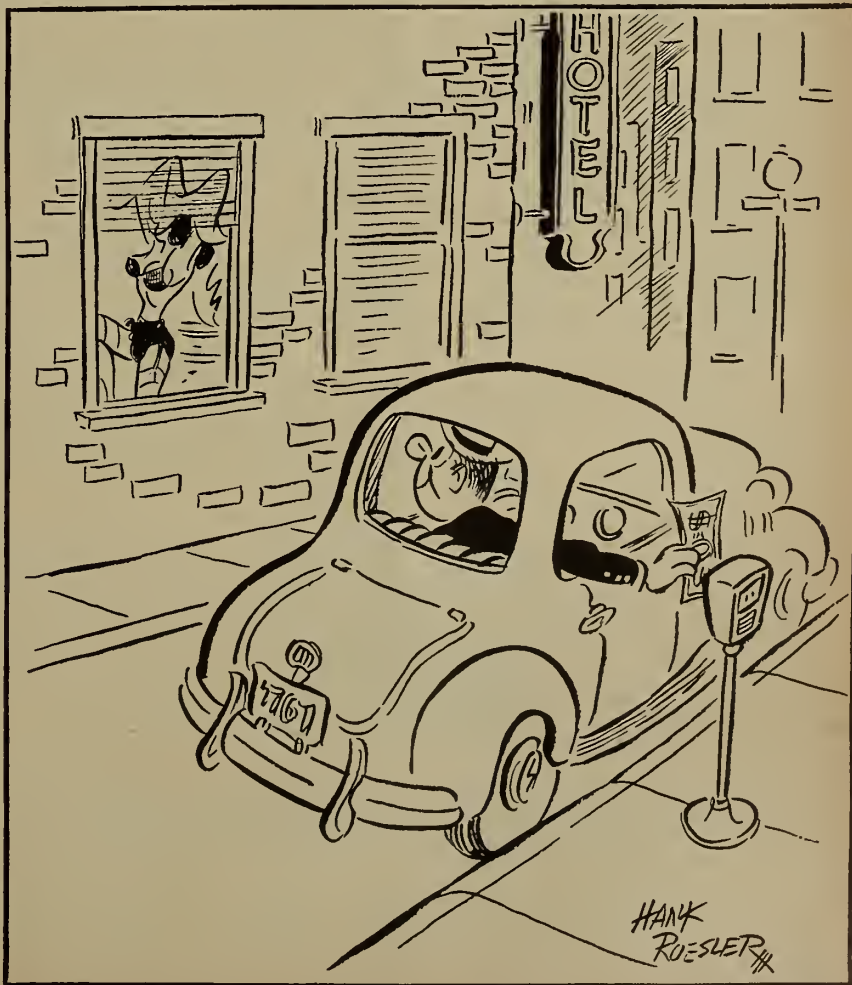

CHICAGO—The general offices of Bally Manufacturing Company, this city, have been undergoing a spring decorating job these past three weeks.

Carpenters, painters, decorators, et al, have been busily at work, and officials of the firm state that visitors will hardly recognize the offices when the job is completed.

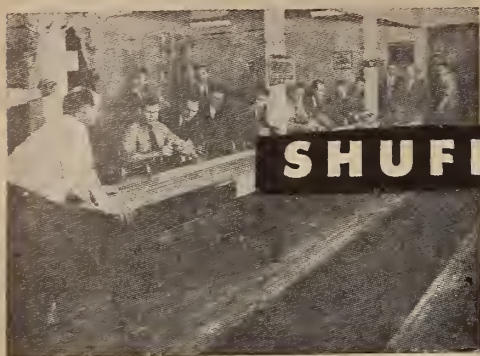

The corridors are being panelled from the floor level to about waist-high, giving it a fresh, rich appearance.

The job is being rushed along in order to be completed when Ray Moloney, president, returns from his Florida vacation. The plan, it is stated, is to hang the walls above the panelling with pictures of Bally distributors and leading figures of the coin machine industry.

We understand that some of Bally's distributors, who haven't had a picture taken in several years, are now rushing to the photogs, as they want to look "pretty" when hanging in Ray Moloney's picture gallery.

## SHUFFLEBOARD

# FOUR STATE SHUFFLEBOARD TOURNAMENT IN CHICAGO

**\$15,000 In Cash Prizes — Conducted By "Standard Shuffleboard Congress Of America" On June 16, 17, 18 and 19 At Coliseum. 48 Standard Shuffleboards To Be Placed In Constant Play. Over 150 Men's and Women's Teams Plus 300 Single Players From Indiana, Wisconsin, Illinois and Michigan To Be On Hand. Tournament Sponsored By "Standard Shuffleboard League, Inc."**

CHICAGO—Shuffleboard operators, jobbers, distributors and manufacturers were thrilled this past week to learn that a four state shuffleboard tournament was already planned and well under way and that it was to be held at the Coliseum in this city on June 16, 17, 18 and 19, 1949.

This four state tournament, the first of its kind in history, will be conducted by the Standard Shuffleboard Congress of America.

Plans already completed give promise of over 100 men's teams, over 50 women's teams and more than 300 single players from Illinois, Indiana, Wisconsin and Michigan will compete for cash prizes totalling \$15,000.00.

The winning team will get as much as \$2,000.00. Winners among the single players will also be given high cash prizes.

The gigantic Coliseum here will have 48 Standard Shuffleboards in constant operation the four days of the tournament from 9:00 A.M. until 11:00 P.M. each day.

The tournament, tho conducted by the Standard Shuffleboard Congress of America, is sponsored by the Standard Shuffleboard League, Inc.

It is believed here that this tournament will outshine the well known Peterson Bowling Classic or even the famed Tam-O-Shanter golf tournament. Both of these are conducted here each year.

Should this four state tournament prove to be as outstanding as the sponsors and conductors believe that it will, plans are to expand it gradually on a national basis, like that of

the American Bowling Congress which holds its meets at the giant Convention Hall in Atlantic City, N. J.

Some weeks ago *The Cash Box* suggested that interstate shuffleboard tournaments be arranged and conducted by coinmen joining together in the various states.

*The Cash Box* pointed out at the time in its editorial that this would not only continue to maintain interest in shuffleboard but that it would open many avenues for greater play for the entire industry.

*The Cash Box* also wrote that it believed should interstate tournaments get under way that a national tournament would become an actuality of itself.

This four state tournament is, therefore, pointing the way for the entire shuffleboard industry from coast to coast. It is believed that the western states, where shuffleboard has proved so outstanding, will themselves arrange for a tournament of like nature in Los Angeles or San Francisco or some other city.

There is no reason, then, should statewide tournaments get under way, why winners from these can't come together in some centrally located city, such as Chicago, and play off for the national championships.

Much credit and commendation is due to the Standard Shuffleboard Congress of America as well as the Standard Shuffleboard League, Inc. for paving the path to one of the most progressive moves in all the history of the coin machine industry.

## THRU THE COIN CHUTE

### CHICAGO CHATTER

Lots of pleasant talk around town about the fact that juke box ops are no longer complaining about collections. Seems that averages have gone up and that with general overhead expense slashes, most ops are in best position they have been in many a moon. Distribs here are somewhat disturbed. Claim that they require two things: 1) lower priced equipment; 2) financing. Say if these two become fact that the phono biz will bounce back stronger and bigger than ever. "So many new people now anxious to get into business," one well known distrib claims and also says that this could become "the good old times" all over again if low priced phonos and finance were available at this time . . . Congrats to Gertie Kanner and Eliot Berkwit who became "Mr. and Mrs." this past week . . . and from what we hear there were three days of celebrating into the early dawning hours . . . Irv Sandler of Des Moines is learning how to navigate. Has been flying about the country . . . and likes it . . . Mr. and Mrs. Herman Paster reported still in critical condition in LaFayette, Ind., hospital where Herman ran into bad auto accident. Many coinmen have been down to visit with them. In the meantime report is that Mrs. Sam Taran, who was in same car with Mr. and Mrs. Paster, is much better and will be leaving for her Miami Beach home to recuperate.

Conference between Mike Hambergren (who is now a Chi business man), Larry Cooper of Minneapolis, St. Paul, and points north and Hugh McGarrity proves very interesting listening . . . Coinmen here are referring to April as "Juke Box Month." Reasons are the forthcoming big music ops' association affairs. April 19 will see Cleveland phono ops getting together in big banquet at Hotel Hollenden. April 23 will be date of Michigan phono ops' affair at the Latin Quarter in Detroit. And April 25 and 26 are the days of the "Five States Convention" to be held at the Hotel Radisson in Minneapolis (booths and all) with ops from Minnesota, Wisconsin, Iowa and North and South Dakota to attend . . . Harold Klein passing thru Chi on his way back from showing his "Shuffleback" game at the Hotel New Yorker in New York City. Harold reports a very successful trip and that he had to leave the game in New York on request of many ops who hadn't been able to take a looksee. Now on his way back to Milwaukee to steam up production, he reports.

Art Weinand over at Rock-Ola discussing the forthcoming meets of the juke box coinmen claims that these are the get-togethers which help all concerned with the music biz . . . Ray Moloney enjoying about the longest vacation of his life . . . still down in Miami soaking up sunshine and reporting everything "very swellish" . . . Clarence Camp of Memphis around the town and searching out the products he needs to make this a banner season for his firm . . . Jack Rosenfeld of St. Louis also about the town visiting at Bally and Jennings and other spots where local boys kept bumping into him . . . Also saw H. C. Childers of Ft. Madison, Ia., and Don Marquise of Fargo, N. D., around the town . . . Al Fingulin, who manages the destinies of NCMDA here, advises that the organization has changed much of its program but that it is going ahead better and faster than ever. Says that their new bulletin has proved very good and that the parts catalog which they are creating will prove outstanding. In addition to all this, Al reports that he may soon have some news of very good interest for all concerned.

Sam Wolberg over at Chicoin reports that the firm's three products in such demand that as much as they step up production each week they haven't as yet been able to catch up and are backlogged for what may be some weeks to come. Sam says that demand for amusement games is getting greater . . . Dudley C. Ruttenberg, attorney for CMI, reported to be very busy working out a plan for amusement angle . . . Over at Genco the boys simply continue going big on "Big Top" and it looks like it will be some time yet before they will be able to catch their breath. Demand for Genco's games so far this year exceeding all records for the firm . . . L. C. (Lindy) Force of AMI very proud of their distribs who came thru with flying colors on a cooperation program with the firm . . . Seems that the AMI boys are out to set a new sales record for '49, according to Lindy . . . Billy DeSelm, Ray Riehl and the boys over at United Manufacturing Co. are working harder than ever and report plans being made which will give the trade some of the finest products the firm have ever built . . . From current reports seems like Ray Williams of Dallas is proving himself one of the most outstanding pinball distribs in the nation. That's in addition to the job he does with Wurlitzers.

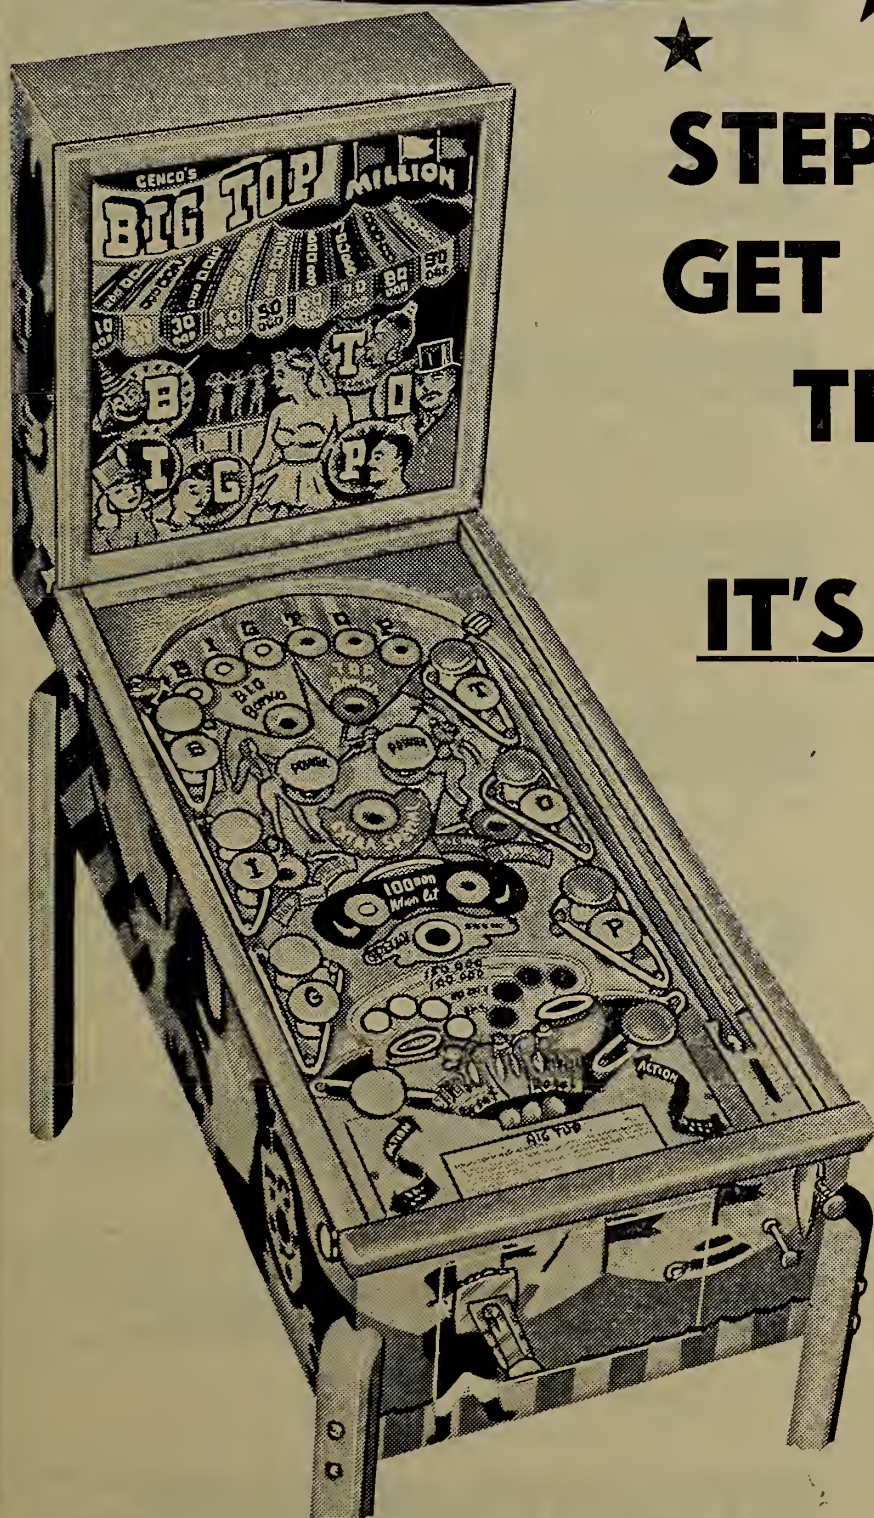

George Lewis over at ABT reports that the firm's pistol targets are selling better than ever. When you think that these have been in constant production for over 11 years now—that's really something to shout about in these times, when games come and go by the minute . . . We hear from salesmen that Fletcher Blalock of New Orleans getting very much interested in shuffleboards . . . which means, if we know Fletcher, that there's gonna be a mighty number of them sold down around the southern part of the country . . . Harry Brown reports that the firm are still battling to catch up with the orders they've taken for the cabinets they're making and that they just can't see business slackening . . . Which reminds us—what's with Red Zogg who has a very big surprise coming out soon? . . . Williams Mfg. Co. is hard at work getting their game to their distribs and that Harry Williams is already set with some real surprises for the nation's amusement game ops . . . Bill (The Shadow) Billheimer working out some plans to get "Hollycrane" away over the top . . . George Jenkins over at Bally claims that action is getting better each day and that, "It seems like Citation run will never halt. In fact," George says, "every time we think it's gonna slacken down, along comes another flood of orders and—bingo—we're back in top speed production."

R. R. (Rudy) Greenbaum traveling between here and Kansas City and reported to be busy trying to get those Trans-Vue sets out to the many who ordered them and have continued to call for more. Fred Mann and Ben Palastrant of the Trans-Vue firm, we hear, have been setting some swell sales marks these past weeks . . . Mel Binks busy "as usual" over at Universal . . . Mike Spagnola of Automatic (AMI) Distribs calling at our offices to get acquainted . . . Ben Coven reported to be doing quite a job with Wurlitzers . . . Wally Finke of World Wide Distribs down in Florida's sunshine and really enjoying himself . . . Ed Vojack and John Neise of O. D. Jennings & Co. working away on more plans for more surprises for all their customers.

## EASTERN FLASHES

Manny Ehrenfeld, Passaic, N. J., one of the country's better music operators, has been running a successful, profitable operation for many years, and continues to do so today. The reason is simple. Manny doesn't sit back and moan about conditions—he goes out and stimulates business with new and progressive ideas. Lately, Ehrenfeld has been installing wired-music background systems thruout his territory. His plan is to give the tavern patron music even tho a television broadcast may be in progress. "Our Telmusic has been successful," states Ehrenfeld, "because it is not objectionable and harmonizes with what is coming thru on the tele screen. For those who are interested in sporting events, this type of music, playing simultaneously, does not annoy them or interfere with their entertainment. It also provides soft background music for those folks who are not interested in watching sporting events on the video screen, but wish to relax in a booth or at a table."

The reaction has been so good, Ehrenfeld ran an ad in the local Passaic *Citizen*, which occupied two-thirds of the page. Headlining this ad was the question "Is Your Tavern Dead?"—"A Dull Tavern Is Unprofitable." The copy from there on reads, "There's Never A Dull Moment With Tel-Music." A 10-point wire music plan is then outlined.

The Passaic *Citizen*, cooperating with Ehrenfeld, ran a story on his background music plan, which ran a full two columns.

Harold Klein, Shuffleback Sales Company, Milwaukee, Wis., displayed his "Shuffleback" shuffleboard to local coinmen over the week-end. The board was well received by the many visitors, and before leaving for the factory, Klein accomplished his mission, setting up a deal. Complete announcement will be forthcoming very shortly. The board is making quite an impression thruout the country, Klein stated, being displayed at various distributors' showrooms . . . The industry is loaded with coinmen who lay claim to being top grade "gin" players, but did you know that Harold Klein is one of the country's foremost "Bridge" players. Not only has he won or placed high in some of the top tournaments, but has a number of "masters" points . . . Jack Cohen, president of the Cleveland Phonograph Owners' Association, in town. Cohen's wife, by the way, has written the music for a song, collaborating with Buddy Kaye (writer of the current hit "A-Your Adorable").

Hirsh de LaVie, Hirsh Coin Machine Corp., Washington, D. C., the industry's greatest practical joker, never could let an opportunity like the "Pyramid Club" craze pass by without thinking up a gag. He sent the following letter to many of his friends: Would you like to join our "Pyramid Club"? This is not like the ordinary "Pyramid Club." This club was started in Reno for the express purpose of bringing happiness to tired business men. Unlike most clubs, this one costs no money. Simply send a copy of this letter to five married men, then bundle up your wife and send her to the fellow whose name heads the list. When your name reaches the top—you will receive 14,932 gorgeous girls. Do Not break the Chain. One man broke the chain and he got his wife back.

Joe Munves, the parts and supply man, is getting together one of the most comprehensive catalogs of parts and supplies ever seen. He leaves in a week or so for an extended trip which will keep him on the road for quite a long time. He tells us he expects to cover the entire country before returning to the office . . . Irv Morris, Active Amusement Machines Company, Newark, N. J. office, calls on his friends on coinrow. Irv looks fine, and claims biz is pretty good . . . We understand Willie (Little Napoleon) Blatt, Miami, Fla., rushed into town for a fast visit.

Robert S. Curtiss, director of the Department of Concessions and Revenues for the Port of New York Authority, told members of the Sales Executives Club at their monthly meeting that during 1948, gross revenue from automachines approached \$500,000, mainly from La Guardia airfield. He estimated that one machine alone at La Guardia last year earned \$214 per square foot. A total of 470 pieces of various vendors is maintained at the several locations. In plans for improvement of La Guardia field and other locations, space for vendors plays an important part in their plans, Curtiss stated. H. W. Alexander, president of the Chalex Sales Co., and L. E. Leverone, president of Automatic Canteen Company, were the two other speakers at this meeting.

## Williams In Full Speed Production On New Pin Game

CHICAGO—Following on the heels of their big selling pingame "Dallas," Williams Manufacturing Company, this city, announce deliveries of their latest game "St. Louis."

"Tests on location, plus the enthusiastic reports of our distributors, lead us to believe that 'St. Louis' will be a bigger money maker for operators than 'Dallas'" smiled Sam Stern, executive vice president of the firm. "And it's history that 'Dallas' was a unusually fine machine.

"We're keeping our production line running at full speed," he continued "and rushing out 'St. Louis' thruout the country as quickly as possible."

"St. Louis" contains a new feature by the manufacturer, which they call "handicap scoring," plus the highly interesting "thumper bumpers."

"Our new feature 'handicap scoring' is just what operators have been looking for" reported Stern. "We've watched pingame players in action during the tests, and this new scoring feature keeps them glued to the machine."

## Sliding Scale Commish Arrangement Proves Successful After Year's Test

### Music Ops In Sioux Falls, S. D. Followed Suggestions of "The Cash Box" To Set Up More Equitable Method Of Splitting Gross Take Of Phonos

SIOUX FALLS, S. D.—Music operators in this city have proven over a year's test that locations can be educated to cooperate on a sliding scale commission arrangement.

A notice was sent to all locations by the operators of the city in January, 1948, informing them of the coinmen's greatly increased overhead due to the high prices of records, equipment, service, parts, etc. It was pointed out that in order for the phonograph operators to stay in business it would be necessary that the commission arrangement be set up as follows, based on a two week period:

Gross Income	Proprietors' Percentage
\$20.00 or less	20%
\$20.00 to \$30.00	25%
\$30.00 to \$40.00	30%
\$40.00 or more	40%

The plan was introduced by Bob Swift and ironed out by all the Sioux Falls operators.

"We used several copies of *The Cash Box* in determining this arrangement," states Norman Gefke, "and are most thankful for the fact that we have a magazine in our business that is continually thinking of ways and means of bettering the operators' business conditions."

"In putting the plan into effect, we ran into very few locations who objected. However, we were insistent, and today we are happy to say that we are in a wonderful position, and reaping profits from our business. Starting this January, we went into our second year under the above plan, and everyone is accustomed to dividing the gross income under this arrangement."

## HOW TO USE THE "C. M. I. BLUE BOOK"

**FOREWORD:** Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter The C.M.I. Blue Book can only feature the market prices as they are quoted. The C.M.I. Blue Book acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. The C.M.I. Blue Book, rather than show no price, retains the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices continue to be very widely divergent these days. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. The C.M.I. Blue Book reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

**METHOD:** The C.M.I. Blue Book should be read as follows: First price listed is lowest price for the week: Second price listed is highest price. Where only one price appears this should be considered lowest price.

ONE-BALL AUTOMATIC

More than six solid months of steady production . . . and still going strong . . . Bally CITATION continues to smash all records. But the greatest record broken by CITATION is the sudden magical way it injected new life into the entire coin-machine industry . . . bringing thousands of players back to pin-ball plungers to give operators and distributors the financial pick-up they needed. CITATION, with famous GUARANTEED ODDS feature, holds players by the hour. Odds either advance or remain as high as on previous coin. Without fear of losing favorable odds, players play 10, 12 or more coins per game for additional selections. For the fattest profits in one-ball history, get going with CITATION now. See your Bally distributor today.
